- 1) **Oculus Innovative Sciences (Nasdaq/OCLS/Neutral/\$3.90)** – Oculus announced yesterday that the Company’s Microcyn-brand product Negative-Pressure Wound Therapy Solution received a strong consensus rating from an international panel related to its use with Kinetic Concept’s Negative Pressure Wound Therapy with Instillation product. The ratings were published in an article entitled “First International Consensus Guidelines” in the December 2013 issue of the *Journal of Plastic and Reconstructive Surgery*. Oculus’ product was one of only two irrigation solutions which received the strong consensus rating. The ratings and guidelines for use of the Negative Pressure Wound Therapy system came from an international panel of medical experts. First commercially available in 1995, privately-held Kinetic Concepts’ negative pressure wound therapy is now installed in over 21,000 hospitals and skilled nursing facilities and over 11,000 home health agencies worldwide. We currently rate OCLS shares Neutral. **RMW**

Morning Notes provide current information we believe might be noteworthy to investors regarding the subject companies. Morning Notes are not intended to be complete research reports. More detailed information concerning the rated companies referenced in this Note, including the full reports, basis for price targets and other disclosures, may be found at: <http://www.DawsonJames.com/portal.html>.

**Important Disclosures:**

Dawson James Securities, Inc. (the "Firm") is a member of the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation ("SIPC").

The Firm does not make a market in the securities of the profiled company. The Firm has received investment banking compensation from the company(s) profiled in this report (OCLS) and may seek compensation for investment banking services in the future from the profiled company(s). The Firm has not received other compensation from the profiled company(s) in the last 12 months.

Neither the research analyst(s) whose name appears on this report nor any member of his (their) household is an officer, director or advisory board member of these companies. The Firm and/or its directors and employees may own securities of the company(s) in this report and may increase or decrease holdings in the future. As of March 31, 2014, the firm as a whole did not beneficially own 1% or more of any class of common equity securities of the subject company. The Firm, its officers, directors, analysts or employees may effect transactions in and have long or short positions in the securities (or options or warrants related to those securities) of the companies subject to this report. The Firm may effect transactions as principal or agent in those securities.

Analysts receive no direct compensation in connection with the Firm's investment banking business. All Firm employees, including the analyst(s) responsible for preparing this report, may be eligible to receive non-product or service specific monetary bonus compensation that is based upon various factors, including total revenues of the Firm and its affiliates as well as a portion of the proceeds from a broad pool of investment vehicles consisting of components of the compensation generated by investment banking activities, including but not limited to shares of stock and/or warrants, which may or may not include the securities referenced in this report.

Although the statements in this report have been obtained from and are based upon recognized statistical services, issuer reports or communications, or other sources that the Firm believes to be reliable, we cannot guarantee their accuracy. All opinions and estimates included in this report constitute the analyst's judgment as of the date of this report and are subject to change without notice.

The securities of the company discussed in this report may be unsuitable for investors depending on their specific investment objectives and financial position. This report is offered for informational purposes only, and does not constitute an offer or solicitation to buy or sell any securities discussed herein in any jurisdiction where such would be prohibited. Additional information is available upon request.

**Ratings Definitions:**

- 1) **Buy:** the analyst believes the price of the stock will appreciate and produce a total return of at least 20% over the next 12-18 months;
- 2) **Neutral:** the analyst believes the price of the stock is fairly valued for the next 12-18 months;
- 3) **Sell:** the analyst believes the price of the stock will decline by at least 20% over the next 12-18 months and should be sold.

The following chart reflects the range of current research report ratings for all companies followed by the analysts of the Firm. The chart also reflects the research report ratings relating to those companies for which the Firm has performed investment banking services.
