

Dawson James Securities Strengthens Biotechnology Franchise with Addition of Wall Street Analyst Carol Ann Werther

Boca Raton, FL, April 16, 2018-- Dawson James Securities, Inc., is pleased to announce the addition of Carol Ann Werther, Managing Director, Equity Research. Carol has built a 20-year career focused on identifying break through products and science derived from her previous positions in both healthcare clinical research and nutrition education.

Ms. Werther was most recently Managing Director with H.C. Wainwright & Co., and previously with Summer Street Research Partners, Winslow Management and Adams, Harkness & Hill. Ms. Werther received her MBA Finance from the NYU Stern School of Business and an MS Clinical Nutrition Sciences from the University of Alabama in Birmingham as well as a BS in Nutritional Sciences from Cornell University.

Robert D. Keyser, CEO of Dawson James says, “we are excited to have Carol on board as her deep sector knowledge alongside of her impressive research in therapeutic areas for gene therapy, RNAi and oncology will certainly expand our existing biotechnology expertise led by Robert Wasserman, Director of Research”.

Carol Werther adds “I am pleased to join the Dawson James team in New York. Their dedication on behalf of small cap growth companies in the Life Science sector was a strong factor in my decision and I look forward to continue to identify compelling ideas in my vertical.”
